MM-008-BT (20 lb. WLL)

PAN AND TILT SPEAKER WALL MOUNT

MULTIMOUNT®

The MM-008 is an indoor speaker mount that attaches loudspeakers, weighing up to 20 lbs., to walls and other structural surfaces.

Independent pan and tilt adjustments help direct sound into the desired area. A separate feature orients speaker cabinets clockwise into either a horizontal or vertical position.

The MM-008 adapts to light weight loudspeakers with standard single and two hole mounting patterns. This makes an ideal mount for use in applications such as restaurants, theme parks, hotel and retail installations.

STANDARD FEATURES:

- Separate no-drift pan, tilt and clockwise adjustments
- Mounts to walls other vertical surfaces
- Accommodates standard single and two hole mounting patterns 2 3/8 & 3”

OPTIONAL ACCESSORIES:

- PoleStar® PM-010 pole adapter
- Safety cables (many standard and custom lengths)
