## PAN & TILT SPEAKER MOUNT

## MULTIMOUNT®

### PAN & TILT SPEAKER MOUNT

This design quickly and permanently attaches surround loudspeakers to auditorium walls and offers a full range of pan and tilt rotations.

This makes it easy to mount and aim surround speakers accurately in cinema applications.

Its extended support arm firmly anchors speakers even through deep sound panels and drapes (up to 2.5"/63.5 mm deep) and allows precise, no-drift rotational adjustments.

MultiMount-017's unique support arm acts as a convenient carrying handle during installation. Once the mount has been inserted into place, the mounting plate does the job of handling all the weight. This leaves the installer's hands free to complete the wiring and positioning process.

**Star Grid**  
Compatible Component

### STANDARD FEATURES:

- ▶ Weather resistant for covered outdoor and indoor use
- ▶ Separate pan, tilt and clockwise rotations
- ▶ Infinite aiming and locking angles
- ▶ No "memory" or "drift"
- ▶ Accommodates speakers with 4 hole mounting patterns, including 2.00" x 4.25" and 2.75" x 5.00"

### OPTIONAL ACCESSORIES:

- ▶ PoleStar™ PM-010 pole adapter
- ▶ Safety cables (many standard lengths)

### SPECIFICATIONS:

**Material:** Steel Alloy  
**Finish:** Powder Coat  
**Color:** Black  
**WLL:** 35 lbs. (16 Kg)  
**Design Factor:** 5:1 ratio  
**Net WGT:** 1.5 lbs. (.7 Kg.) each  
**Shipping WGT:** 4 lbs. (1.8 Kg.) per pair  
**Pack Count:** 1 unit/carton

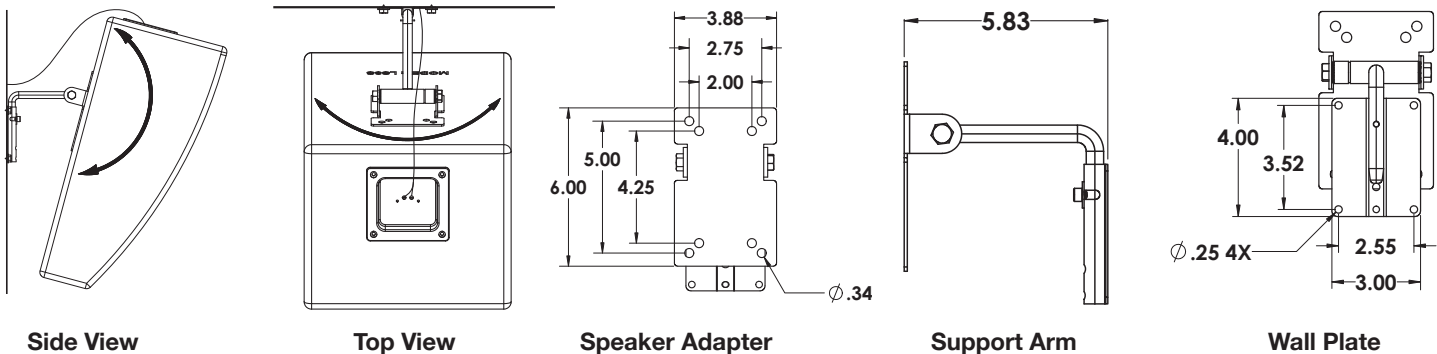

### PACKAGE CONTENTS:

**2 pcs** Wall mount plates  
**2 pcs** Speaker adapter assemblies  
**2 pcs** Socket screw 1/4-20 X 1/2" long  
**2 pcs** Flat washer 1/4" diameter
