

# QL-315-S

(1760 lb. WLL)

5/16" QUICKLINK

QUICK LINK

QuickLinks join two closed-end items together, such as wire rope assemblies, turnbuckles and eyebolts quickly and easily. They offer significant working loads for their size and serve as convenient coupling devices for temporary installations but, because its side locking turn style has the potential to loosen over time, QuickLinks are not recommended for overhead use.

#### SPECIFICATIONS:

**Diameter:** 5/16"

**Color:** Silver

**Design Factor:** 5:1 ratio

**WLL:** 1760 lb / 800 Kg

Rated for marine environment.
