

3/16" Wire Rope Sling

3/16" DIAMETER 7X19 GAC

WIRE ROPES

Install overhead objects safely using these load-rated wire rope assemblies. There are two varieties to consider.

The silver colored wire rope assemblies are produced using galvanized 7X19 wire rope trimmed to an exacting length and assembled with galvanized thimbles and swages.

The black colored wire rope assemblies are produced from stainless 7X19 wire rope so as to accept the black pigment and trimmed to an exacting length, assembled with black-zinc plated thimbles and swages.

STANDARD FEATURES:

- ▶ Domestically produced
- ▶ Choice of black or silver
